

Historic Window Workshop

Saturday, May 30th

9am - 12pm

Capitol Hill Presbyterian Church

201 4th Street, SE

(4th and Independence Avenue, SE)

Metro: Eastern Market or Capitol South

\$10 for DCPL Members

\$20 for Non- Members

The workshop will discuss how to evaluate the condition of typical historic wood windows and the options for repair and replacement.

- What sorts of problems are reasonable to repair, and when does the deterioration warrant replacement?
- What improvements can be made to increase the efficiency of existing windows?
- How to ensure that work done by others is properly done and how to do simple repairs yourself?
- How to select and install replacement windows to retain historic character?

Speakers:

Trevor Thomas, Historic Preservation Training Center, National Park Service

John Sandor, Technical Preservation Services, National Park Service

Registration is required.
